PRESBYTERIAN PEOPLE MAY BUILD SOON

At the congregational meeting of the First Presbyterian church last night the auditorium was filled to its capacity with enthusiastic members of the church. Each elder had been assigned a part on the program. The meeting was opened with a prayer and praise service under the direction of Elder Dory Hayden. This was followed by the elecion of four ruling elders. C. B. McVay and Dory Hayden were re-elected to a term of three years and Frank D. Bumbaugh was chosen for a similar period. Frank A. Cummins was elected for a term of two years to finish the unexpired term of A. L. Arner.

D. P. King, E. C. Sattley and A. R. Ney were re-elected as Trustees to succeed themselves for a term service of three years Wm. L. Taylor was chosen a deacon for three years.

Elder E M. Frye, had charge of the program of reception of the new members. J. Howard Kelly, in well chosen words welcomed the 72 members received during the year. Appropriate responses were delivered by Edwin A. Wells and Jas. D. Nicolay. Mrs. Dory Hayden entertained the audience with reading, while Elder W. S. Moore was preparing refreshments. Elders H. E. Gress and C. B. McVay, were busy in their endeavors of introducing all the new members to the congregation.

The yearly report of the various societies showed a goodly balance on the right side of the ledger. The congregation was never so strong as at the present, both spiritually and financially. The treasurer's report revealed the fact that $6244.98 was the amount of money from all sources passing through the hands of the church treasurer. Dory Hayden was chosen as Treasurer and Eli G. Wolf, G. M. Mitchell and Wayne Hancock were elected auditors. The congregation being thoroughly organized, begins the new year with bright prospects. A committee has been appointed to either enlarge the present building or the erection of a modern up-to-date church plant to accomodate the demands of the public. The Sabbath School has been over-crowded for over a year and the seating capacity of the church must be enlarged to accomodate those who worship there. The Pastor and people have cause to rejoice over their successful year's work.

T HECHESTER BISHOP STOCK TO BE AT STAR

A change is to be soon made at the Star theatre which will very greatly please the large patronage of this house, as many have for a long time been of the opinion that the people are hankering for a little variation from the old routine of every-day vaudeville, to which they have lent their presence and support for several years, in fact before the Star theatre was built.

On or about April 25th, the Star will change from vaudeville to high class repertoire, in which it will continue until the close of the season, the last of June.

Arrangements have been completed between Manager W. A. McShaffrey and the Chester Bishop Stock Co., to appear at the Star wth a repertoire of the highest order, changing plays twice each week.

Monessen people remember this company well; not long since they played a part of a season in the opera house, and the class of their work was of such that comment is unnecessary. Chester Bishop himself is a prime favorite, he has with him a very strong supporting company, and it is safe to predict that he will be greeted in Monessen by overflow houses when he makes his appearance.

After the Star closes its season and undergoes repairs it will be reopened with legitimate road shows, and the strongest companies on the road brought here. But until June 30 the Chester Bishop Stock Co. will be here in high class repertoire.

Second Annual Eisteddfod

Great preparations are being made for the second annual Eisteddfod which will be held in the local opera house Saturday afternoon and evening. The rehearsals have been going on for the past couple of months and the affair promises to be of even more magnitude than the one held last year. Contestants have entered from nearly every town from Morgantown to Pittsburgh and the awards which are being offered has enlisted the best talent in the country. Reserved seat tickets at Beck's drug store.

Opposition to the old bridge site at Brownsville has finally reached the courts, and papers have been filed in the equity court to restrain the commissioners from taking over the location where the old bridge formerly stood. These proceedings are apt to tie up work on this proposed structure for several months.

New Ground Is Chosen For Offall Dump

L. H. Carter, who has the borough contract, or rather privilege for removing the city's garbage was much inconvenienced three days of last week by not having a place to dispose of the refuse, and the people of the town were inconvenienced too, in a measure, more particularly those who reside in upstairs flats and have limited resources for caring for house offall. Mr. Carter says that during those few days and even this week he has had more telephone calls from his people than ever before, and it was very hard to explain and convince them just what a trying position he was in.

Here-to-fore a portion of the Luce farm, out Rostraver road, east of town had been used as a dumping ground, but on account of a misunderstanding between the owners of the land and Mr. Carter it was found not practical to further use that location, so a new site had, necessarily, to be looked up, and it required several days to find a suitable place.

At last a location was found on the John Irons farm, back of Grandview cemetery, and arrangements were completed to hereafter use that as a "dumping ground."

Mr. Carter and his men are now very busy trying to catch up in his work with the three days lost by the inconvience, and with a little patience, everything will soon be in shipshape again.

BODY FOUND IN WATER AFTER WIFE DREAMS

Latrobe, April 11—The body of Paul Zerlak, of South Latrobe, who mysteriously disappeared Saturday evening, March 16, was found in the Loyalhanna creek, near the steel bridge, one half mile below town, Tuesday afternoon at 3 o'clock, by Street Commissioner Samuel Bennett, after being in the water twenty-five days. He was 55 years of age and leaves a wife and three children.

The general supposition is that the man fell from the Loyalhanna creek bridge on his way home, near the steel works.

Recently Mrs. Zerlak dreamed three nights in succession that her husband's body was in the old, abandoned reservoir near here, and the water was pumped out. But the searchers failed to find the body and the search was about to be abandoned, believing the body had been swept many miles away by the recent flood in the Loyalhanna.

Street Commissioner Bennett in passing the steel bridge noticed a strange object bobbing up and down in the water, and going closer found Zerlak's body lodged between the roots of an old tree. Coroner McMurray held an inquest and it was decided the man met accidental death by drowning.

Man Shot by Enemy as He Lay Asleep

Greensburg, Pa., April 11—Ferdinand Salvatroe, an Italian, 35 years old, was killed while he slept beside his wife at their home in an alley in the rear of West Otterman street, at 1 o'clock yesterday morning. A light was burning in the bed room on the first floor and the slayer had no trouble in seeing his victim

A step ladder had been placed at a window, the window forced open and the shot that killed Salvater fired without the assassin going into the room. Evidently but two shots were fired, one bullet missing the victim and the other passing entirely through his head causing instant death. It was found in the pillow.

Mrs. Salvatroe was awakened by the shots and heard someone scramble down the step ladder and hurry away through the darkness. She ran screaming from the house, arousing all the neighbors in the vicinity. She was unable to give a description of the assassin.

Salvetore, who had been in this country about 8 years, was employed as watchman at the plant of the Pittsburgh company of Kelly & Jones, iron dealers, here, and had always borne a good reputation.

THE QUESTION "WHO IS WHO"

There really is not such a mystery connected with "Who is Who," inasmuch as there are a good number of people who know all about it, and they will give you the information that will help you to win the reward if you are lucky enough to ask the right ones.

There are a number of them who know and it's up to you to find them. Ask your friends, neighbors, as well as everybody.

A Popular Idea for Christmas

We notice that at many neighboring towns, at least one of the banks are instituting a novel plan for people to save Christmas money, a little each week, and not miss it. Charleroi, McKeesport and others have taken it up and reports say the people think well of it. It would be a good scheme for some one of Monessen's banking houses to launch.

CHARLEROI BUSINESS MEN WILL BANQUET

The annual banquet of the Charleroi Business Men's Association will be held in Turner hall tomorrow evening and a great big time is anticipated. Governor John K. Tener will be there and is expected to be among the foremost speakers, as will also be State Executive Commissioner Samuel C. Todd of Harrisburg. There will also be a number of county officials there, as well as street railway and railroad officials, and something interesting from each of them is expected.

The business men of Charleroi never do things by halves and they are working hard to have things in readiness for one of the most enthusiastic and interesting banquets they have yet held. Steps will be advanced to promote a town boom and everything will be done along the line of public spirit and progressiveness that is possible.

BELLE VERNON MAN IS STRUCK BY A TRAIN

John Kehe, aged 50 years, of Belle Vernon, was struck last night by north bound passenger train on the P. R. R. Co., which passes West Monessen at 8:28, and sustained painful scalp wounds and numerous other bruises.

The man was sitting along the tracks, it appears, at the Belle Vernon station, waiting for a freight train to pass, and did not notice the approaching passenger train, which was running at moderate speed, which struck him and gave him a considerabler rolling around and shaking up before things could be righted. On account of this the train was an hour late at Monongahela, where the man was taken and placed in Memorial hospital.

Examination disclosed that the man's hurts, while painful, are not necessarily fatal.

A MONESSEN BAD MAN IS MURDERED

Nick Russio, once a resident of Monessen, was shot in a skirmish in a Greek coffee house at Youngstown O., last Saturday, and word received here today states that after lying seven hours in a hospital, died. Later, Tony Squatillo and Theodore Penny were placed under arrest and are being held for an investigaton.

It is stated that the two latter demanded $200 of Russio and on his refusal, the shooting occurred with fatal result.

Report has it that the demand was made by the Blackhand society, and after the shooting everybody in the coffee house was arrested. It is further asserted that Russio, the dead man was arrested in a coffee house raid on Schoonmaker avenue at this place some time ago.

Sensational coloring is further given by the rumor that Russio some time ago came to Monessen with a sixteen year old girl which he brought from Chicago, palming her off as his wife, which the girl, on account of her tender age, believed herself to be. Later he took her to Pittsburgh, placed her in a questionable house, it is said, and lived off her earnings as a white slave. It is said the girl is now in a resort in the city. While here Russio hung out in the neighborhood of Third street, and became quite a well-known character.

The time is close at hand when city and town streets will become dry and dusty and then there will be a need for some means of counteraction. Already we hear Monessen business men discussing the subject, also that of first giving our business streets a thorough cleaning and thereafter keeping them clean and clear of dust. This can be easily done. We have a water wagon which could be brought into constant use to good effect. Let a thorough spring cleaning be given the business thoroughfares. then have a committee visit each and every business man along Donner and Schoonmaker avenues and get a stipulated weekly subscription for the purpose of hiring a competent man with a good strong team of horses, at a fair salary to operate the water wagon or sprinkler all the time, from morning until evening and six days a week. Thus would the dust which in summer always flys and keeps business places constantly smutted up and dusty, be allayed. No matter how hard the clerks work to keep goods dusted and clean, the task is an impossible one, unless there is a system of this kind. There are scarcely a business man along our main thoroughfares who would refuse to gladly contribute his proportionate quota to pay a man to run the water sprinkler this summer, for the outlay by the saving of goods. the keeping clean and respectable of stores, and the general comfort to be had from the absence of flying dust, and the natural coolness of the atmosphere brought about by keeping the streets dampened, would more than repay the expense We've talked to some of our best merchants on the subject and there seems to prevail a general and cheerful sentiment in it's favor.

The Canonsburg Notes thinks Washington county is lax in her efforts to accomplish the good it should along certain lines, and remarks editorially:

"In Westmoreland county the license court recommends to all holders of licenses that their bars be closed on holidays. The order is not mandatory, but respect for high authority and self-preservation will cause the recommendation to be obeyed. Would to the Good Lord that our judges might be enabled to see their way clear to make a similar recommendation to the holders of license in our county. Why do we lag so woefully behind in temperance reform in Washington county? We do not know certainly, but we do know that the temperance people need to be aroused. It is not more gum-shoe methods on the part of those at the head of temperance organizations that is needed, but out-in-the open-fighting. Three or four red hot revivals of religion, not necessarily all conducted by Billy Sunday, but of the Billy Sunday type, would not only close the saloons on holidays, but on every day of the week. Washington has planned for one of these revivals, Canonsburg for another, and Charleroi and nearby towns are trying to arrange for a similar campaign. Now if McDonald church people will throw off their timidity, wake up and learn that the churches which claim to be for Jesus Christ, must make a stand, the saloon can be driven out of the entire county inside of three years time; whereas, it cannot be driven out in a quarter of a century by the present slip-and-go- easy, afraid- of- your-shadow policy."

Our readers are invited to note new announcements elsewhere in this paper of the "New Webster International Dictionary, and to those who contemplate purchasing a new, down-to-date dictionary, we can in all sincerity recommend this one as the very best on the market today. A number of Monessen folk have recently bought the late edition of the work and we find it without question of doubt, the most complete and authentic dictionary we've ever looked into. In fact it's a veritable encyclopaedia in one volume. Those who possess the "Webster International" know it's worth and say they appreciate it more highly than any other work in their entire library.

Brooklyn, N. Y. — "Prior to taking the first bottle of Lydia E. Pinkham's Vegetable Compound I suffered agony every month, but after your wonderful medicine had been taken a while I felt a little better, and after taking seven bottles of it I feel that I can truly say I have no more pain or inconvenience.

"As I am out in the business world as a stenographer, I come in contact with many girls, and when the opportune moment arrives I tell them about the Vegetable Compound and I know that quite a few are taking it."—HELEN CANET, 556 Dean St.

WHY not give *your lad* the same training?

"When I was a growing lad, and came upon many words in my reading that I did not understand, my mother, instead of giving me the definition when I applied to her, uniformly sent me to the dictionary to learn it, and in this way I gradually learned many things besides the meaning of the individual word in question—among other things, how to use a dictionary, and the great pleasure and advantage there might be in the use of the dictionary. Afterwards, when I went to the village school, my chief diversion, after lessons were learned and before they were recited, was in turning over the pages of the 'Unabridged' of those days. Now the most modern Unabridged—theNEW INTERNATIONAL—gives me a pleasure of the same sort. So far as my knowledge extends, it is at present the best of the one-volume dictionaries, and quite sufficient for all ordinary uses. Even those who possess the splendid dictionaries in several volumes will yet find it a great convenience to have this, which is so compact, so full, and so trustworthy as to leave, in most cases, little to be desired."—Albert S. Cook, Ph.D., LL.D., Professor of the English Language and Literature, Yale Univ. April 28, 1911.

A HARMLESS WAY TO DARKEN THE HAIR

A Little Sage and Sulphur Makes Gray Hair Vanish—A Remedy for All HairTroubles.

Who does not know the value of Sage and Sulphur for keeping the hair dark, soft and glossy and in good condition? As a matter of fact, Sulphur is a natural element of hair, and a deficiency of it in the hair is held by many scalp specialists to be connected with loss of color and vitality of the hair. Unquestionably, there is no better remedy for hair and scalp troubles, especially premature grayness, than Sage and Sulphur, if properly prepared.

The Wyeth Chemical Company of New York put out an ideal preparation of this kind, called Wyeth's Sage and Sulphur Hair Remedy, in which Sage and Sulphur are combined with other valuable remedies for keeping the hair and scalp in clean, healthy condition.

If your hair is losing its color or constantly coming out, or if you are troubled with dandruff or dry, itchy scalp, get a fifty cent bottle of Wyeth's Sage and Sulphur from your druggist, use it according to the simple directions, and see what a difference a few days' treatment will make in the appearance of your hair.

All druggists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented.

Joseph Baker, son of Rev. Perrin Baker of Belle Vernon, has recovered from an attack of appendicitis and is able to be back at his studies in the local High School.

Rev. H. O. MacDonald will make an address at the Masonic banquet, Charleroi tonight. Many of the local members will be present to enjoy the evening.

Many people will be sorry to learn that Willie Lowstutter, son of Mr. and Mrs. T. E. Lowstutter is confined in a Pittsburgh hospital, suffering from throat trouble.

Mrs. Samuel McNiel of Park Way, has recovered from a recent illness and has gone to Allegheny where she will spend some time visiting at the home of her mother.

Miss Mary Smith visited with Rev. and Mrs. M. M. Allbeck at Monongahela. She also visited several of the rooms at the different schools while there.

W. O. Williams is confined to his home on McKee avenue with the rheumatism. He is improving daily and expects to be out again in a short time.

Mrs. W. S. Lewis of Monongahela has returned after a visit here with her son, W. B. Lewis of McKee avenue, who has been critically ill with typhoid fever for the past week, but who is improving rapidly.

James Sterling, of Latrobe deputy factory inspector, was in town this morning on business but was summoned home by telegram on account of the illness of his wife.

A. L. Arner left this morning for Adrian Mich. his former home, where he will spend a couple of weeks visiting among friends. The trip is being made for combined pleasure and health.

Tomorrow evening there will be a basketball game in the basement of the Christian church and this will be the last game of the season on the local floor. The strong Donora team will be the attraction and a warm game is in store for all who attend.

The contract for a fine new brick residence for Mrs. Theresa Helzlsourer has been given to the Motz Lumber Company by J. A. Lohman, architect. Work will begin at once on the excavation. The building will be on Schoonmaker avenue, near First street.

The local duck pin team met defeat at the hands of the Belle Vernon team last night at Belle Vernon. The final count showed Belle Vernon a little over 150 pins ahead. Although not making any excuses, the locals were greatly handicapped by the poor condition of the alleys.

Mrs. George Engle of 139 Oneida street returned home yesterday evening from Pittsburgh, accompanied by her friend Mrs. M. E. O'Connor, who will enjoy a few days visit here. Mrs. Engle on Monday attended a charity ball in Duquesne Garden in the evening, given by the Knights of Columbus.

The Baptist team of the Church League held a meeting recently and elected Arthur Winstone manager and E. E. Drake member of the Executive Board. The Baptists are working hard and this year's outlook is very bright. They are gathering together a fast aggregation and expect to finish among the leaders.

TWO "CULLED GEMMEN" IN A VERY LIVELY MIXUP

Two colored fellows were arrested last night near the corner of Sixth street and Donner avenue while engaged in a rather lively argument, after they had come to blows. One of the men was named Gordon while the other party refused to give his name. At the hearing this morning only the defendant appeared and the case was adjourned until tonight at 7 o'clock. The evidence secured so far looks bad for Gordon although his side of the case is to be presented this evening.

Ball Playing Will Soon Begin

It is expected that a meeting of the Church League will be held within the next day or two and possibly the meeting will be held tomorrow evening. All of the representatives have been selected from the different churches and the meeting will be for the adoption of a constitution and schedule and for the purpose of hearing the report of the Grounds committee concerning the places which are available this season.

KNIGHTS TEMPLAR MAY HAVE A SPECIAL TRAIN

Charleroi, April 11—Special trains from all directions will convey Knights Templars and their ladies to Pittsburgh on April 24, the date of their annual tournoi to be held at the Exposition building. This will be the big society event of the year among Western Pennsylvania Knights Templar commanderies. If enough members of McKean Commandery No. 80 of Charleroi will go, a special train will be run from Pittsburgh here after the affair is over. Local committeemen are working hard in the interest of the affair. It is expected that 8,000 persons will attend the tournoi, which will precede but a few weeks the grand conclave to be held in Pittsburgh.

BETTER ROADS IN SIGHT WESTMORELAND COUNTY

That Westmoreland county is going to have some good roads before long is indicated by the announcement of the James H. McQuade company, of Pittsburgh, that 1,000 men are wanted at once to work on State road construction. An advertisement announces that the company has a contract that will last for three years. Good accommodations and good wages are promised for the men who are employed. More rapid progress in road construction seems to be now going on in this county than in our neighbor, old Fayette, as Commissioner Bigelow has of late made personal trips through the terriorty particulary Greensburg, and O. K. Taylor, Jr., who resigned as Washington, Pa., city engineer to be on Commissioner Bigelow's staff, has been in this section making arrangements for active work, and it is thought that road building between Monessen, Webser, West Newton and Greensburg will form no little part in activities in this end of the county the coming summer.

THE TRUE TEST

Tried in Monessen, It Has Stood the Test

The hardest test is the test of time, and Doan's Kidney Pills have stood it well in Monessen-Kidney sufferers can hardly ask for stronger proof than the following:

Mrs. Feightner, 133 Oneida street, Monessen, Pa., says: "I suffered from severe pains in my back and left side and it seemed as if there were no relief for me. I had dizzy spells and my appetite was poor. Seeing Doan's Kidney Pills advertised, I obtained a box, although I had but little hope of their curing me. I am now glad that I took this remedy, however, for it improved my condition in every way." (Statement given Oct. 2, 1907.)

RE-ENDORSEMENT.

When Mrs. Feightner was interviewed on Nov. 9, 1909 she said: "I gladly re-endorse Doan's Kidney Pills. I still think highly of them and advise their use in all cases of kidney trouble."

For sale by all dealers. Price 50 cents. Foster Milburn Co., Buffalo, New York, sole agents for the United States.

News Notes of Society

The ladies of the Oneida Club met yesterday at the home of Mrs. Wm. Singer on McKee avenue and enjoyed a most pleasant afternoon. The regular routine of such a gathering was indulged, such as sociable intercourse, card games such as the women folks enjoy, a little music now and then, the whole affair being brought to a fitting close by the serving of a pleasing little lunch, which was very much appreciated, and many were the good words extended Mrs. Singer on account of her adebtness and easy, jovial manner of entertaining.
